Dear Customer:

Here is the credit application you requested. Please read it carefully, complete it thoroughly and legibly. It is very important that you **sign the bottom** of the Confidential Credit Application in both places. The trade reference area is critical for complete processing. Make sure you list at least three references. Including **fax numbers** for your references ensures faster processing.

**Twixwood Nursery
P.O. Box 247

If you are *tax exempt*, we will need a copy of your certificate for our file. Please include it with your application; otherwise we will assume you are taxable.

Please allow a minimum of two weeks for processing. You will be notified by letter when your application has been approved. If you have any questions, please feel free to contact us.

The other forms in this packet are helpful for the efficient handling of your account by all of our departments (sales, shipping, etc.) so we appreciate you filling all of them out.

Sincerely,

Please do NOT send availability lists unless I request them.

Twixwood prepares several availability lists in different formats.

- ✓ Our **Standard Availability** list includes all items available for sale and in a saleable category. It will include items that are only landscape ready which means they are well rooted but the tops may be small or thin.
- ✓ Our **Bud & Bloom** list is designed with the retail setting in mind. All items on this list are full and ready for the retail shelves. The first couple of pages of this list contain the items that are in bud and bloom.

The lists are emailed/faxed from about April through September and are available online in the off season.

If you are getting the lists off our webpage or via email, we prepare both lists in an Adobe PDF format. We also prepare the Standard Availability in a Microsoft Excel format and hopefully we can start this for the Bud and Bloom list soon.

Because both lists are different, you may wish to request both of them.
